

Below are my answers to the questionnaire and I hope that I will be endorsed by the Alliance.

I'm running in the 6th District GOP primary for US Congressional Representative -- against incumbent Republican Bob Goodlatte. My website contains my issue positions and I am a constitutional small government conservative, opposed to more federal spending and borrowing.

1. KEEP Act: Absolutely I will support the KEEP Act (HR3991) as a standalone bill or as an amendment to other legislation. My opponent Bob Goodlatte has NOT cosponsored this bill, but my friends Walter Jones and Ron Paul have cosponsored this bill, as will I on my first day in Congress.
2. RFRA: I will support the the RFRA ideas as standalone and/or as an amendment to other legislation. However, I'm running for a House seat, so will support any similar bill in the House.
3. SJR 36 & HJR 103: I will support these resolutions nullifying the NLRB rules that shorten and compress election procedures.
4. WDFR: I would have voted for WDFR as standalone or as an amendment to existing legislation, and if it fails in the Senate, will sponsor or co-sponsor similar legislation to try again.
5. ERA: I will co-sponsor and support legislation like ERA, and the ERA s written, as standalone and/or as an amendment. My opponent Bob Goodlatte is NOT a cosponsor of HR 2810.

Thanks for this opportunity -- your organization is doing good work. You may call me at 540-333-1459 to confirm this email. The attached PDF file contains my signature on these positions. Thanks!
